5S – An overview

Course Duration: 1 Day

Seminar Content

At present, people think 5S is a method of practicing good housekeeping, but today, it is more than that. It is an improvement management that creates an environment for TOTAL QUALITY to support CWI (company-wide improvement) on S, Q, C, D,P and M

S - Safety

Q – Quality

C – Cost

D – Delivery

P – Productivity

M – Morale

S – Safety

5S is a systematic and structured way of managing the workplace to make it efficient, safe and cheerful through involvement of all employees. 5S is a self-driven and self-sustaining movement, thus the whole work place becomes culture driven system rather than aperson dependent system

Learning Objectives

- ❖ To create a safe, healthy and cheerfulworkplace
- ❖ To create visual workplace for easy to operate and maintain
- ❖ To improve productivity by eliminating search time
- ❖ To improve product quality by eliminating mix up and unwanted items
