AS9115A Internal Auditor Training for Aerospace Quality Management Systems

Training Duration : 3 Days

Seminar Content

Omnex is an Exemplar Global Certified TPECS provider for Exemplar Global-QM and Exemplar Global-AU Competency Units. This seminar fully covers the ISO 9001 requirements in addition to the requirements of AS9115A, which is the quality management standard for Aviation, Space and Defense Organizations – Deliverable Software. Other topics include audit systems, the auditing process and audit instruments; the documentation process, conducting an audit, writing the audit report, and taking corrective action. Auditing case studies to develop skills for identifying nonconformities will be used.

Note: The QM competency unit can only be used for ISO 9001 auditor certification. There is an additional e-Learning module offered through IAQG which also must be completed to become an IAQG-certified aerospace auditor.

Attendees who successfully pass the exams during this course will achieve a Certificate of Attainment for the following competency units:

- Exemplar Global-QM 

Who Should Attend

This seminar is designed for Management Representatives, AS9115A Implementation Teams, Internal Auditors and others who would like to develop judgment and decision-making in AS9115A and learn the auditing process for first, second, and third party auditors.
