Understanding the Requirements of ISO 9001:2015 for Quality Management Systems

Course Duration: 2 Days

Seminar Content

Omnex is an Exemplar Global Certified TPECS provider for Exemplar Global QM Competency Units. This 1.5- or two-day course has been developed to satisfy the Exemplar Global QM Examination Profile and, as such, all attendees who successfully pass the exams during this course will achieve a Certificate of Attainment for the following competency units:

- Exemplar Global-QM

This course was developed to cover all requirements of the ISO 9001 quality management systems standard. Group exercises and case studies will be used to develop the required skills.

Note: Successful completion of this course will fulfill the training requirement necessary for all Exemplar Global certified TPECS auditors to meet the knowledge requirements of the new ISO 9001 standard.

Learning Objectives

- ❖ Understand the application of environmental management principles in the context of ISO 9001.
- ❖ Relate the environmental management system to the organizational products, services, activities and operational processes.
- ❖ Relate organization's context and interested party needs and expectations to the planning and implementation of an organization's environmental management system.
