Consultant Profile

UNNIKRISHNA SHARMA

Consultant

Unnikrishna Sharma is OMNEX's Consultant - Management Systems operating from our North & East Regional Office in Delhi NCR. He has around 5 years of experience in Quality Assurance/ Quality Control, Design & Development, Supplier Development, Health & Safety, Environmental Management and Project management fields.

Prior to joining Omnex, he has worked as GET at Bimetal Bearings, Coimbatore, as Junior Engineer at Sankar Sealing Pvt Ltd, Chennai and as Production Engineer at Kartigeya Plastics Pvt Ltd. A Certified Quality professional in ISO 9001, IATF 16949 and ISO 14001, & OHSAS 18001. Unnikrishna Sharma brings to OMNEX a vivid experience, a mix of Manufacturing, Service and consulting & training. He has been guiding several Omnex clients on Automotive and manufacturing core tools and implementation of business management systems including **APQP / DFMEA / PFMEA / CONTROL PLAN / SPC / MSA / PPAP / QMS / EMS / OHSAS**.

Unnikrishna Sharma has played a vital role in Omnex' **supplier development** programs for Volvo Buses India, Tata Motors Ltd & Knorr Bremse on assessing PPAP readiness/ assessments and supplier development for all its national suppliers in North India. Some of his current clients are Maruti Suzuki India Ltd, Volvo Buses, Tata Motors Ltd, Hero Motocorp, Skoda India and Orient Electric. He handles 10 suppliers of a leading OEM in North India for APQP/PPAP implementation project which include, Asahi India Glass, Hella India, Pinnacle Industries, Neolite ZKW etc. He had a major role in DFMEA development project at Hero Motocorp R&D.

With high passion and a strategic mind-set, Unnikrishna Sharma has helped various organizations and individuals to build their capability and competency in order to achieve their business/personal goals effectively. His flair for quality management system (QMS) design and implementation, statistical interpretation and problem-solving skills has earned him appreciation from his clients.
