intacs® Certified Provisional Assessor Automotive SPICE® v4.0

Course Duration: 4 Days

Seminar Content

This four-day training course is part of intacs® designed and approved training courses and is expected to be introduced in November 2024. This training is part of the “Standard Lane” to becoming an intacs® certified Provisional or Competent Assessor for Automotive SPICE®. The intacs® Certified Process Expert Automotive SPICE® course must be attended and an exam provided by an independent certification body (VDA-QMC) must be successfully passed before the intacs® certified Provisional Assessor Automotive SPICE® course can be attended. Further training and assessment experience will be required in order to become an intacs® certified Competent Assessor for Automotive SPICE®.

Automotive SPICE® is used to evaluate and improve development processes in the automotive industry. This course deepens the model knowledge of the Automotive SPICE® v4.0 Process Assessment Model (PAM) gained through the intacs® Certified Process Expert Automotive SPICE® course which will enable participants to support a certified Competent Assessor as a co-assessor in their own company or at suppliers, or to optimize processes based on assessment results.

Learning Objectives

- Deepen the understanding of Automotive SPICE® v4.0 Base, System and Software Processes
- Develop an understanding of the Automotive SPICE® assessment process and techniques to perform an assessment

Course Outline

- Recapitulation of core elements of Automotive SPICE®
- Deepening the knowledge about process dimension and capability dimension
- Rating mechanism and rating rules
- Assessment process
- Sampling of work products for rating
- Interview techniques and how to take notes
- Deriving objective evidence statements
- Various group activities accompany the training

Note: Exam is conducted by VDA-QMC

Who Should Attend

Those who plan on becoming intacs® certified assessors must attend this course and successfully pass the exam to become an intacs® certified Provisional Assessor for Automotive SPICE®. Further training and assessment experience will be required in order to become an intacs® certified Competent Assessor for Automotive SPICE®.

Any others who have attended Process Expert Automotive SPICE® course that want to deepen their knowledge of the PAM.
